

will establish the broad programmatic framework in which specific projects can be supported by various agencies during the project period.

The purpose of this cooperative agreement is to support the Minority Access, Inc. in providing assistance to minorities and minority-serving institutions in order to improve the higher educational, professional, and managerial employment of minorities.

The OMH will provide technical assistance and oversight as necessary for the implementation, conduct, and assessment of the project activities. On an as-needed basis, OMH will assist in arranging consultation from other Government agencies and non-governmental agencies.

Authorizing Legislation

This cooperative agreement is authorized under Section 1707(e)(1) of the Public Health Service Act, as amended.

Background

Assistance will be provided only to Minority Access, Inc. No other applications are being solicited under this announcement. The Minority Access, Inc., is uniquely qualified to accomplish the objectives of this cooperative agreement because it has the following combination of factors:

- This is the only organization whose mission is to serve minority-serving institutions, majority universities, as well as public and private entities with a large minority constituency.
- The organization has represented majority institutions and corporations in diversifying their campuses and work sites by improving the recruitment, retention, and enhancement of opportunities for minorities.
- The organization has established mutually beneficial partnerships between minority-serving institutions, majority institutions, and corporations.
- The organization has provided technical assistance to minorities and minority-serving institutions in order to improve the higher educational, professional, and managerial employment of minorities.
- The organization has developed strategies to enhance and develop minorities' educational skills to enter under-represented fields such as biomedical research.

This cooperative agreement will be awarded for a 12-month budget period within a project period of five years. Depending upon the types of projects and availability of funds, it is anticipated that this cooperative agreement will receive approximately \$50,000 to \$100,000. Continuation

awards within the project period will be made on the basis of satisfactory progress and the availability of funds.

The Catalog of Federal Domestic Assistance Number for this cooperative agreement is 93.004.
